

## Diesel Emission Reduction Grants for 2016.

NC Department of Environmental Quality (NCDEQ), Division of Air Quality (DAQ) will provide funding for projects that reduce diesel emissions. Awarded projects will begin (at the earliest) in January 2016 and must be completed by September 30, 2016.

**Who is Eligible?** Any private or public sector entity or individual stationed in North Carolina is eligible.

**Total Funding Available:** Approximately \$386,000 is available for all projects funded statewide. The DAQ expects to fund 2 to 5 projects.

**Deadline for Applications:** Applications must be received by e-mail or postmarked by Friday December 4, 2015 to be considered.

**How Do I Apply?** Select the application type (<http://ncair.org/motor/grants/>) that best fits your project. If you have questions about which form to use, contact me (Anne Galamb) at [919-707-8423](tel:919-707-8423) or [Anne.Galamb@ncdenr.gov](mailto:Anne.Galamb@ncdenr.gov).
